## STEWARDSHIP 2018

### Building the Foundation of Love

Greetings, my fellow church members. My name is John Zeeb, and I will be coordinating this year's Stewardship drive. I am so honored to be a part of this church, and to be fortunate enough to be involved in events like this, as well as being able to praise the Lord in music with The Response praise band. We look forward to continue contributing to the music of the church, and to making the worship experience even more enjoyable.

This year's stewardship theme is "Building the Foundation of Love." In other words, as Christians, we should be striving to create a groundwork of love to spread to the world in the form of a loving church, a community of fellow Christians and supporting the many programs our church has

that assists those in need. Each of our gifts should be viewed as the building materials that we will use to construct a foundation of love and support. We all know through our experiences that as time passes, buildings erode and crumble, but as it says in Jeremiah 33:11 "...Give thanks to the Lord Almighty, for the Lord is good; his love endures forever." The love we share to the world as Christians will indeed pass the test of time and will continue to bless people in the future. It is our gifts, shared through tithing, that provide the brick and mortar that enables our many programs to be constructed.

When I was a high school student in Fullerton, CA, the church I belonged to at that time would do monthly trips to the Tijuana dump in

Mexico to help the needy by distributing food and building homes. I have vivid memories of visiting the homes of people living in this environment who were unfortunate enough to scrape out an existence in complete squalor. Looking back to a visit at one particular home, I can recall seeing beams of dusty sunlight piercing through a rough collection of boards which served as the wall of their home. On the floor was not a plush carpet, but a floor consisting completely of dirt which stirred in the breeze. At this point of my life, I decided that there was more to life than building up a collection of meaningless material possessions. Some of the objects we take for granted would be prized treasures by those who are in these unfortunate conditions. As it says in Acts 20:35, "In everything that I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said 'It is more blessed to give than to receive.'" This means that it is our responsibility as Christians to do what we can to help the church and those who are struggling to survive

under such dire circumstances. As a member of the stewardship committee, I want to encourage everyone to consider what they can give to the church this coming year. Keeping this in mind, we are asking for a 5% increase in the pledges this year to continue the wonderful deeds our church has been completing. These gifts are so important to reaching the goals of the church. Let us all work together and contribute piece by piece what the Lord has asked us to do. Together we can build a foundation of love.

We are excited about this drive and truly hope it helps the church to reach others and provide support and love to those who really need it. You should be receiving your pledge cards in the mail in the coming weeks, and please join us for Pledge Sunday, October 28th, where we will dedicate our pledges and construct the foundation for sharing love in our community. I look forward to seeing all of you there as we continue the mission of Christ and prepare for the coming year and demonstrate our commitment to the church. —*Submitted by John Zeeb

### UMW Makes New KIVA Loans

Our United Methodist Women chapter has made two new Kiva microloans. A microloan is a small loan to individuals who are often unable to obtain loans through traditional sources, such as banks.

KIVA is an organization that simplifies the microloan process, interviewing the applicants and vetting them to see if they have a supportive network who will help them to succeed (and help us to be repaid).

Our new loans are to a group of women in Burkina Faso, who will buy hibiscus flowers, sugar, and ingredients for juices to sell, and to a group of women in Guatemala to buy a new sewing machine. So far, we have made loans to 6 groups. Working our way across the globe, we have loaned to Peru, Nicaragua, Ghana, Kenya, Guatemala, and Burkina Faso. All of our loans are meeting the repayment schedule or have been repaid.

We celebrate a new accomplishment with the Burkina Faso loan: all of the money to fund this loan came from the repayments made by our previous loans.

## MISSION MOMENTS

from UMW

Submitted by Peggy Ramsay  
Coordinator for Education

Beecher, church and community worker,  
Florida Conference.*

The new ministry that has emerged is working with local churches to develop summer day camp programs. We will work with small membership churches and our ethnic congregations to involve their youth in summer mission projects in Central Florida.

Day Camps give churches a way to reach out to the children in their neighborhood. The goal is to provide recreation, mentoring, Bible study and enrichment in safe, supervised space.

Happy November Birthdays!

### Team Members Needed for Hunger Ministry

If you would like to be part of an outreach helping the homeless in Riverside, consider becoming a Hunger Ministry team member at FUMCOR, preparing and serving hot meals to families in a homeless shelter.

Please contact Greg Laird for more information: (951) 276-4490 or lairdgregs@aol.com.

United Methodist Men will host the luncheon after Worship on Sunday, October 14. Our Program speaker that day is our own **Dr. Kevin Simpson**, a longtime active member of our church. We often feature speakers of our congregation to get to know each other better. Kevin is a Chemistry Professor at UCR but will talk to us about his life-long interest in the classic animation of Walt Disney Studios (including a peek inside Walt Disney's recently restored office). Lunch will be prepared again by Chef, David Fraser. Cost is \$6.00 each and \$15.00 max for a family. Plan to join us if you can.

We want to thank Jaamal Zaheen from the Orange County Islamic Institute for the (nearly 1 hour) question and answer session before our lunch last month, explaining differences between Islam and Christianity. We also need to thank David Fraser for his above-and-beyond efforts in researching and preparing a unique Middle Eastern luncheon.

**THINGS TO DO THIS FALL ....** You have all noticed from time to time, the importance our Church Endowment Funds play in our Ministries here at FUMCOR. Both the annual Operating Expenses, and periodic Building Improvements are consistently supported by the generosity of some of our former members. Inquiries from members of our Finance Committee reminded us of the importance to periodically publish how one would go about making a legacy gift to the FUMCOR Endowment funds and to restate the general guidelines the Trustees typically use in considering a proposal. The Estate Planning Committee / Capital Committee is made up of Bill Ashworth, Bob Nelson, Senior Pastor and Lay Leader. The Trustees have approved the following General FUMCOR Bequest Guidelines. We would like for each of you to read it and consider doing something with your own Wills or Trusts that would help our church for years to come. [HOW ABOUT PUTTING IT IN YOUR STACK OF THINGS TO DO this Fall!](#) Thanks for your loving consideration. Keep in mind these are only guidelines and if you have questions about a proposal please talk to us about it.

**General FUMCOR Bequest Guidelines**  
**Bequests to FUMCOR in member's Living Trusts or Wills are eagerly encouraged to enhance the long term ministry of the church. They are an important element to both the capital and operating elements of our ministry. These Guidelines are general in nature to help focus potential bequests to the church.**

1. Unrestricted cash, stock or bonds is the preferred bequest to both simplify the transaction

and reduce administrative costs and management issues.

2. The Trustees administer all bequests.

3. If a specific ministry is an intended focus of the bequest, we suggest a conversation with the Senior Pastor and/or the Chairman of the Trustees and Lay Leader be conducted to explore its feasibility as well as other options that might be considered.

4. The donor's intent will always be faithfully honored so far as it is reasonably possible to do so.

5. We recommend working with your own attorney or legal advisor in drafting your bequest.

6. If a property is proposed to be conveyed as a part of a bequest, it must be free and clear of detrimental encumbrances including appropriate clearances of hazardous materials. Trustees will typically not accept real property until all ramifications of taxes, repair obligations, etc. are fully revealed and accepted. We suggest, in lieu thereof, that the property be sold by the Executor of your estate with the proceeds to be defined as the bequest.

7. We discourage:

- a. Any requirement for matching funds as a condition of bequest fund usage
- b. Any conditions that require holding a property for a specified occupancy or charitable use
- c. Any restriction on the timing for sale of stock included in the bequest
- d. The inclusion of personal property such as jewelry or clothing in a bequest

8. Although FUMCOR is a 501 c-3 charitable organization, it makes no representation on how a bequest to the church affects Estate taxes.

On October 7, 2018, Riverside First United Methodist Church will be joining The United Methodist Church by celebrating World Communion Sunday.

Around the globe, countless gifted and qualified people face financial obstacles that hinder them from preparing for the vocation God has given them, especially youth and young adults. In an effort to help those individuals realize their ministry goals, you are invited to give an offering by using a special envelope on World Communion Sunday or by sending your offering to the church.

Checks should be made payable to FUMCOR with World Communion Sunday designated on the memo line.

**Please contribute to World Communion Sunday on October 7, 2018 if you are able.**

**If you wish, please bring a loaf of bread that can represent a country—either your native country or the country your ancestors came from.**

### **“Thank You” to His Helping Hands**

We really appreciate the hard work and dedication that Dan Cork, Gary Bruggeman, and Greg Laird provided to improve the stairs to our backyard deck. This will help us safely manage the stairs to sit outside and enjoy the cooler weather.

This ministry is a blessing to FUMCOR and the community. Thank you! —*Jim and Barbara Jo Wilson*
